37 West Landis Avenue
Vineland, NJ 08360
Attn: Board of Directors
Dear Credit Union:

At the present time, _____ does not have a credit union. We would like to offer credit union membership to our employees or members of our organization. Since Members 1st of NJ Federal Credit Union is an established credit union in the area, we would like to be added to your field of membership.

_____ has approximately _____ people that would be eligible for Membership. Additionally, we understand that family members can also join and benefit from the services available at the credit union. We are located approximately _____ miles from one of your two branch locations.

_____ will be our main contact person assigned the responsibility for all matters regarding the credit union within our organization. He/she can be reached by phone at _____ or email at _____.

The formation of our own credit union is not practical due to lack of sufficient volunteers and resources to support its operation.

Thank you for considering our membership request.

Sincerely,
