

Member 1st of NJ Federal Credit Union Back-to-School Mini-Grants for Educators

Member 1st of NJ FCU will award (18) \$200 mini grants to deserving educators who submit creative ideas for classroom projects that ignite curiosity and encourage learning.

Eligibility

- Applicants must be a member and in good standing to receive the grant.
- Grants are open to Pre-K thru grade 12 educators only
- Requests should be for the specific items needed for the classroom project.

Application Process

Application will be accepted until September 30th. Applicants must complete a grant form, online, and give a short description on how their project idea will facilitate classroom learning and help the local community. In addition, a list of necessary items for the classroom project must be provided to receive the grant.

Mini-Grant Recipients

A committee appointed by the board will select 18 individuals who will receive the grants. The grants will be awarded to those who have provided the completed grant application along with the information requested. Recipients will be notified. We reserve the right to use recipients' names in announcements in the press, social media or any publications.
